

Dream A Dream

Founded: 1999

Sector: Life Skills Education, Youth Empowerment, SEL for Vulnerable Children

Dream a Dream was established in 1999 by Vishal Talreja and 11 co-founders as a Bangalore-based charitable trust to equip children from vulnerable backgrounds with creative life skills for thriving in the 21st century. It mainstreamed experiential learning through arts, sports, and

games to build resilience and social-emotional skills.

Founded by Vishal Talreja after witnessing slum children's potential stifled by trauma, Dream a Dream grew from volunteer-led camps to India's life skills pioneer serving 7 states. Under CEO Suchetha Bhat (since 2018), scaled from 10k direct youth to 2.2M+ children via educator training and govt partnerships.
